

PLANTING A SEED

The bible speaks of different offerings in addition to tithes that bring about blessings.

Seed offering, first fruit offering and heave (peace) offering.

These offerings were to be voluntary and willing by the people. As we prepare for 2012, I would like to encourage you at the Watch Night Service and/or first Sunday Service to plant a seed of \$20.00 or \$12.00 to represent 2012. Let us sow seeds for a mighty financial harvest and a blessing of good health and peace in 2012.
